Dear: Gesamt schule and Ebsdorfer Grund,

How are you? I hope you are doing well. I am doing well with my teacher and my friends. We play our ball and my friends. After we go to class and we keep quiet in the class.

Once we keep quiet, our teacher comes and teaches us. I have nine siblings at our home. Thank you for helping me. I am very good and nice. Our compound is very clean. My parents say thank you very much for the support you are giving us.

Yours loving,
Lubando Tsoma.
